

How does the DINING TO DONATE program work?

It's 6 simple steps:

- ✓ Fill out the information request section of this brochure and return to the General Manager at one of the participating Applebee's® locations nearest to you.
- ✓ You will be contacted as soon as possible to schedule a date and time for your fundraising event. The fundraising program is only offered Monday through Wednesday and can be scheduled during any time frame between open and close. Please allow at least 3-4 weeks advance notice of an event date request. A W-9 form is required to be completed with your organization's 501(c)(3) tax identification number recorded and submitted to the marketing representative before the event can be scheduled.
- ✓ An invitation template will be emailed or faxed for you to reproduce and cut as many copies as needed.
- ✓ Your organization's members will promote the event in the community and pass out the invitations to as many friends, family members, co-workers and neighbors as possible.
- ✓ On the event date chosen, your invited guests will come and dine at Applebee's all while enjoying the outstanding menu and world class service.
- ✓ Your guests will present their personal invitations to the server before service. Applebee's will donate 15% of invitation holder's food and beverage purchases excluding tax and gratuity. An organization representative will need to be available at the end of the event to sign a donation approval form. A check will be sent in the mail from our corporate office to your organization within 2-3 weeks of the event date.
